

## Watermelon Vine

*collected from Andi Rodoni, Franklinford, Vic  
Peter Ellis collection*

Notes: Watermelon Vine was from Andy Rodoni, Franklinford Vic. He called it Watermelon Vine although there is a completely different tune in sheet music to that name. I recognised Andy's tune recently on a Fog Horn Leg Horn cartoon, where the rooster sings 'One Sunday Morning'

Transcription: To ABC by Ray Mulligan

Apart from a set tune, it is good for the spin the bottle section of a Quickstep Monte Carlo when only 16 bars is played)
